

CLIMATE CONTROL SOLUTIONS

Limited Warranty

(For units applied within the United States, Canada and Mexico)

Limited Warranty To Original Purchaser

Bard Manufacturing Company, Inc. Bryan, Ohio 43506 warrants to you, the original purchaser, that your Bard product will be free from defects in materials and workmanship when used under normal conditions from the installation date through the time periods outlined in the "Duration of Warranty" section (see reverse side).

Proof Of Purchase

You must be able to show us the date on which you purchased your product when you make a claim under this warranty. Your owner's registration card filed with us or your contractor's invoice, bill of sale, or similar document is sufficient. If you can not show us the actual date of purchase, the time periods in this warranty will start on the date that we shipped your Bard product from our factory.

What This Warranty Does Not Cover (Also see Duration of Warranty on reverse side)

This warranty does not cover defects or damage caused by:

1. Alterations not approved by us; improper installation (including over or under sizing), improper repairs, or servicing; or improper parts and accessories not supplied by us.
2. Misuse or failure to follow installation and operating instructions (including failure to perform preventative maintenance) or limitations on the rating plate.
3. Operation in a corrosive atmosphere (such as acids, halogenated hydrocarbons or coastal environmental conditions).
4. Parts that must be replaced periodically (such as filters, oil nozzles, mist eliminators, WERV belts, pile seals, etc.).
5. Improper fuel or electrical supply (such as low voltage, voltage transients, power interruption, and units on generators with no brownout protection).
6. Accidents or other events beyond our reasonable control (such as storm, fire, or transportation damage).
7. Defects that happen after
 - (a) Anyone has tampered with the product.
 - (b) The product has been improperly serviced according to accepted trade practices;
 - (c) The product has been moved from its original place of installation; or,
 - (d) The product has been damaged by an event beyond Bard's control (See also No. 5 above).
8. Consequential damages (such as increased living expenses while the product is being repaired). Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
9. This warranty does not cover units installed on over-the-road trucks, vans and trailers.
10. Cost of service call at installation site to diagnose causes of trouble, labor to replace defective component or transportation costs for replacement parts.
11. Contact Bard Manufacturing Company, Inc. for specific warranty exclusions on products installed outside of the United States, Canada and Mexico.

Your Responsibilities

You are responsible for

1. Preventative maintenance of the product (such as cleaning and replacement of filters, nozzles and other consumable parts).
2. Insuring that the instruction manual is followed for care and use of your product.
3. Insuring that your product is installed by a competent, qualified contractor, following all local and national codes, and industry standards.

What We Will Do About A Defect

We will either repair or replace the defective part only. Replacement parts may be reconditioned parts. The warranty for the repaired or replaced part will last only for the remainder of the warranty period for the original part. For Heat Exchangers that are no longer available, we will give you credit equal to the then current retail price of an equivalent Heat Exchanger.

Defective parts and a properly completed Bard parts warranty form must be returned to a Bard distributor to be eligible for a warranty credit or replacement.

We will not pay or be responsible for labor or defective/replacement part transportation costs or delays in repairing or failures to complete repairs caused by events beyond our reasonable control.

What You Must Do

1. Tell your heating and air conditioning contractor as soon as you discover a problem and have the contractor make repairs.
2. Pay for all transportation, related service labor, diagnostic charges, refrigerant, refrigerant recovery and related items.

Service

If your product requires service, you should contact the contractor who installed it or the contractor that has been providing the product's preventative maintenance and repair service. You may find the installing contractor's name on the product or in your Owner's packet. If you do not know who that is, you should contact a competent, qualified contractor to make the repairs. If in doubt, you should contact the nearest distributor that handles Bard products (see telephone pages). Please note that contractors and distributors that handle Bard products are independent contractors and distributors, and therefore, are not under the direction of Bard Manufacturing Company, Inc.

Only Warranty

This is the only warranty that we make. There are no other express warranties. All implied warranties are limited in duration to the duration of the applicable written warranty made above.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to you.

Other Rights

This warranty gives you specific legal rights and you may have other rights which vary from state to state.

BARD MANUFACTURING CO., INC. — BRYAN, OHIO 43506

Dependable quality equipment . . . since 1914

Form No. 7960-420

Issued: 01/01/10

Supersedes: 10/15/09

Duration Of Warranty

Our warranty and all implied warranties are limited to defects arising during the periods shown in the following table:

Model Number Series	— Number of Years from Installation Date ① —			
	Compressor	Heat Transfer Coils ②	Parts ③	Heat Exchangers
AIR CONDITIONERS R-410A: W12-70A, W18-60L, WA3-5S, Q24-60A, PA13	5	5	5	N/A
AIR SOURCE HEAT PUMPS R-410A: W18-60H, S26-61H, Q24-60H, CH3-5S, PH13	5	5	5	N/A
GEOHERMAL/WATER SOURCE HEAT PUMPS R-410A: QW2-5S	5	5	5	N/A
CHILLED WATER QC	N/A	5	5	N/A

OIL FURNACES FH, FL, FC SOF	N/A N/A	N/A N/A	5 1	LIFETIME ④ 10
ACCESSORIES Factory/Field Installed Ventilation and Heater Packages MC3000, TEC40, TCS Controllers Thermostats, Humidistats, CS2000A and all other field installed accessories not listed separately	N/A N/A N/A	N/A N/A N/A	5 1 1	N/A N/A N/A

- ① For equipment that did not have the warranty registration card returned to the factory, the warranty period starts when the product was shipped from the factory.
- ② Heat transfer coils (refrigerant to air coils for air source and coaxial coils for water source units) are covered for leaks for 5 years. Physical damage to air side coils resulting in leaks or insufficient airflow, or fin deterioration due to corrosive atmosphere (such as acids, halogenated hydrocarbons or coastal environmental conditions) are not covered. Leaks in coaxial coils due to freezing of the coils are not covered.
- ③ Parts warranty is 1-year for all telecommunication, electric switch stations, pump stations and similar applications.
- ④ Limited lifetime warranty on Heat Exchangers applies to original purchaser in private, owner occupied residences. Subsequent owners and commercial uses are warranted for 20 years from date of installation.

IMPORTANT - The Product Registration Card supplied with the product should be completed and mailed immediately upon installation to assure maximum warranty coverage for your product.

Limited Warranty

(GV-Series Geothermal Heat Pump)

Limited Warranty To Original Purchaser

Bard Manufacturing Company, Inc. Bryan, Ohio 43506 warrants to you, the original purchaser, that your Bard product will be free from defects in materials and workmanship when used under normal conditions from the installation date through the time periods outlined in the "Duration of Warranty" section (see reverse side). This Warranty applies only to products installed in the United States and Canada.

Proof Of Purchase

You must be able to show us the date on which you purchased your product when you make a claim under this warranty. Your owner's registration card filed with us or your contractor's invoice, bill of sale, or similar document is sufficient. If you can not show us the actual date of purchase, the time periods in this warranty will start on the date that we shipped your Bard product from our factory.

What This Warranty Does Not Cover (Also see Duration of Warranty on reverse side)

This warranty does not cover defects or damage caused by:

1. Alterations not approved by us; improper installation (including over or under sizing), improper repairs, or servicing; or improper parts and accessories not supplied by us.
2. Misuse or failure to follow installation and operating instructions (including failure to perform preventative maintenance) or limitations on the rating plate.
3. Operation in a corrosive atmosphere (such as acids, halogenated hydrocarbons or coastal environmental conditions).
4. Parts that must be replaced periodically (such as air filters, water filters or strainers, etc.).
5. Improper fuel or electrical supply (such as low voltage, voltage transients, power interruption, and units on generators with no brownout protection).
6. Damage as a result of floods, fires, winds, lightning, accidents, corrosive atmosphere or other conditions beyond the control of Bard.
7. Damage caused by any external components attached to the Bard GV unit, including water leaks at external pipe joints, connections, fittings in the piping system including the Loop Flow Center or Desuperheater Pump Module.
8. Defects that happen after
 - (a) Anyone has tampered with the product.
 - (b) The product has been improperly serviced according to accepted trade practices;
 - (c) The product has been moved from its original place of installation.
9. Consequential damages (such as increased living expenses while the product is being repaired). Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
10. Any damage caused by frozen or broken water pipes in the event of equipment failure.
11. Cost of service call at installation site to diagnose causes of trouble, labor to replace defective component or transportation costs for replacement parts.
12. Contact Bard Manufacturing Company, Inc. for specific warranty exclusions on products installed outside of the United States, Canada and Mexico.

Your Responsibilities

You are responsible for

1. Preventative maintenance of the product (such as cleaning and replacement of filters, nozzles and other consumable parts).
2. Insuring that the instruction manual is followed for care and use of your product.
3. Insuring that your product is installed by a competent, qualified contractor, following all local and national codes, and industry standards.

What We Will Do About A Defect

We will either repair or replace the defective part only. Replacement parts may be reconditioned parts. The warranty for the repaired or replaced part will last only for the remainder of the warranty period for the original part.

Defective parts and a properly completed Bard parts warranty form must be returned to a Bard distributor by a State-Certified or licensed contractor to be eligible for a warranty credit or replacement.

We will not pay or be responsible for labor or defective/replacement part transportation costs or delays in repairing or failures to complete repairs caused by events beyond our reasonable control.

What You Must Do

1. Tell your heating and air conditioning contractor as soon as you discover a problem and have the contractor make repairs.
2. Pay for all transportation, related service labor, diagnostic charges, refrigerant, refrigerant recovery and related items.

Service

If your product requires service, you should contact the contractor who installed it or the contractor that has been providing the product's preventative maintenance and repair service. You may find the installing contractor's name on the product or in your Owner's packet. If you do not know who that is, you should contact a competent, qualified contractor to make the repairs. If in doubt, you should contact the nearest distributor that handles Bard products (see telephone pages). Please note that contractors and distributors that handle Bard products are independent contractors and distributors, and therefore, are not under the direction of Bard Manufacturing Company, Inc.

Only Warranty

This is the only warranty that we make. There are no other express warranties. All implied warranties are limited in duration to the duration of the applicable written warranty made above.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to you.

Other Rights

This warranty gives you specific legal rights and you may have other rights which vary from state to state.

BARD MANUFACTURING CO., INC. — BRYAN, OHIO 43506

Dependable quality equipment . . . since 1914

Duration Of Warranty

Our warranty and all implied warranties are limited to defects arising during the periods shown in the following table:

Model Number Series	— Number of Years from Installation Date ① —		
	Compressor	Heat Transfer Coils ②	Parts
GV-Series	10	10	10
Field Installed Bard EHGSVA Electric Heat Packages	N/A	N/A	10
Bard Loop Pump Modules, Water Heating Pump Modules, Water Flow Controls & Other Field Installed Components ③	N/A	N/A	5
Bard Supplied Thermostats	N/A	N/A	5

- ① For equipment that did not have the warranty registration card returned to the factory, the warranty period starts when the product was shipped from the factory.
- ② Heat transfer coils (both refrigerant to air and refrigerant to water) are covered for leaks under normal use. Physical damage to air side coils resulting in leaks, insufficient airflow, or fin deterioration due to corrosive atmosphere are not covered.
- ③ No ground loop components or well components, depending upon type of installation, are covered in any manner under this warranty.

IMPORTANT - The Product Registration Card supplied with the product should be completed and mailed immediately upon installation to assure maximum warranty coverage for your product.
